Willetton Primary School BYO iPad Program for 2026

Willetton Primary School

Digital Capability Framework

Successful learners:

Environment

- thrive in technology rich environments with access to suitable devices, robust school infrastructure and supportive home settings
- have high-level digital skills which increases their motivation for learning and their confidence in classroom activities and encourages them to engage in co-designing their learning
- use technology to actively contribute to learning activities both in the classroom and when collaborating with peers from other classes or schools.

Digital Literacy

- can select and use a diverse range of digital technologies with proficiency, discipline and self-direction
- are adept at embracing and applying new technologies
- exhibit safe, ethical and legal practices to protect themselves and others in digital environments.

Digital Technologies

- can create innovative and ethical digital solutions to real-world problems
- are confident and creative in addressing complex challenges using computational, design and systems thinking.

What Is The BYO iPad Program

- “Anytime, anywhere program”
- Personal, mobile devices
- Individual learning experiences
- Common across many WA schools
- Supported by school board, staff and the school community
- BYO iPad program at WPS has been around since 2015

Why introduce it in Year 3?

- Ability to work independently and collaboratively
- Learn from wide range of sources
- Show deeper reflection on learning and goal setting
- Provide opportunity for 4 years of use
- Junior iPad program in K to 2
- Extensive Cyber Safety explicit education 4 years before leading into the BYO iPad program in Year 3

What if I don’t provide an iPad?

Voluntary Expectation

Students without a device will have limited access to shared school devices

Signing in and out of student accounts and saving work can become time consuming and problematic for privacy.

Students can be provided with alternative options

No students will be denied access to the curriculum due to not having a personal device

Suggested iPads

iPad Pro

iPad(8th – 11th generation)

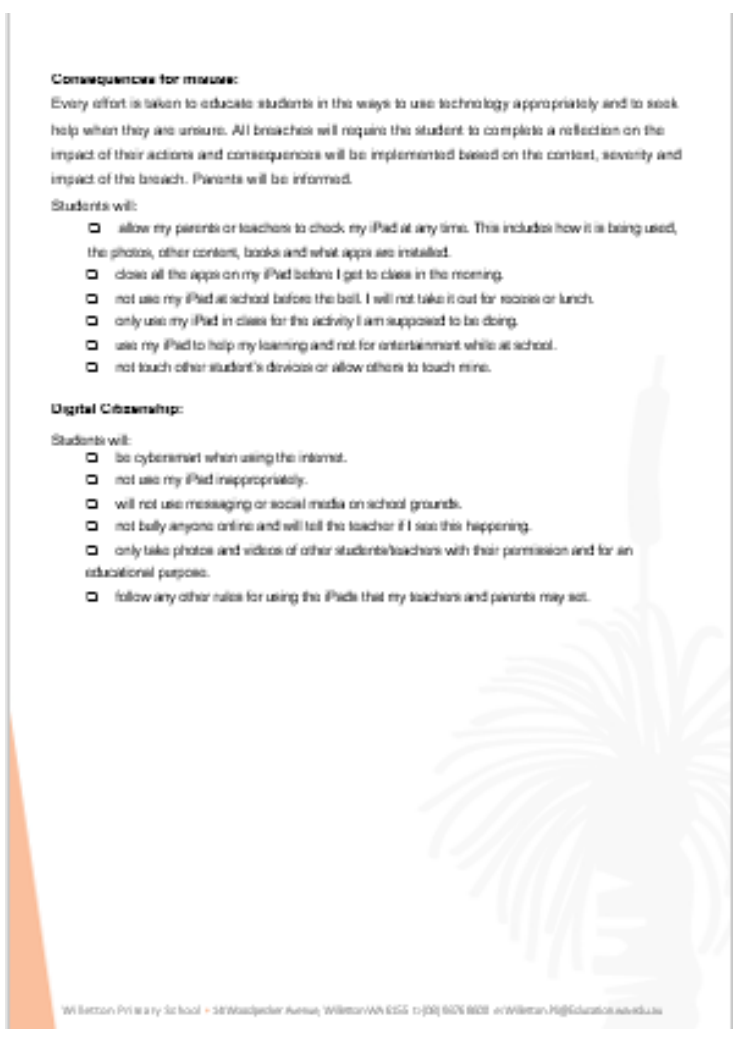
- Common-Sense Media- https://www.commonsensemedia.org/
- Bullying. No Way!- https://bullyingnoway.gov.au/

RESPONSIBILITIES OF THE STUDENT:

General

I will:

- use a passcode on my iPad and I will not give my passcode to other students.
- not let someone else use or borrow my iPad at school, my iPad is for my use only.
- be the only one to use my iPad when I am working in a pair or in a group.
- be responsible for my iPad and make sure it is used safely and securely.
- close the cover and give the iPad to my teacher in the event of an inappropriate site, image or message being displayed.
- protect my iPad by always carrying it in its protective case.
- ensure my iPad is clean and fully charged every day.
- keep my iPad in my bag going to and from school.
- keep food and drinks away from my iPad.
- tell my teacher or parents about any accidents or breakages straight away.



Consequences for misuse:

Every effort is taken to educate students in the ways to use technology appropriately and to seek help when they are unsure. All breaches will require the student to complete a reflection on the impact of their actions and consequences will be implemented based on the context, severity and impact of the breach. Parents will be informed.

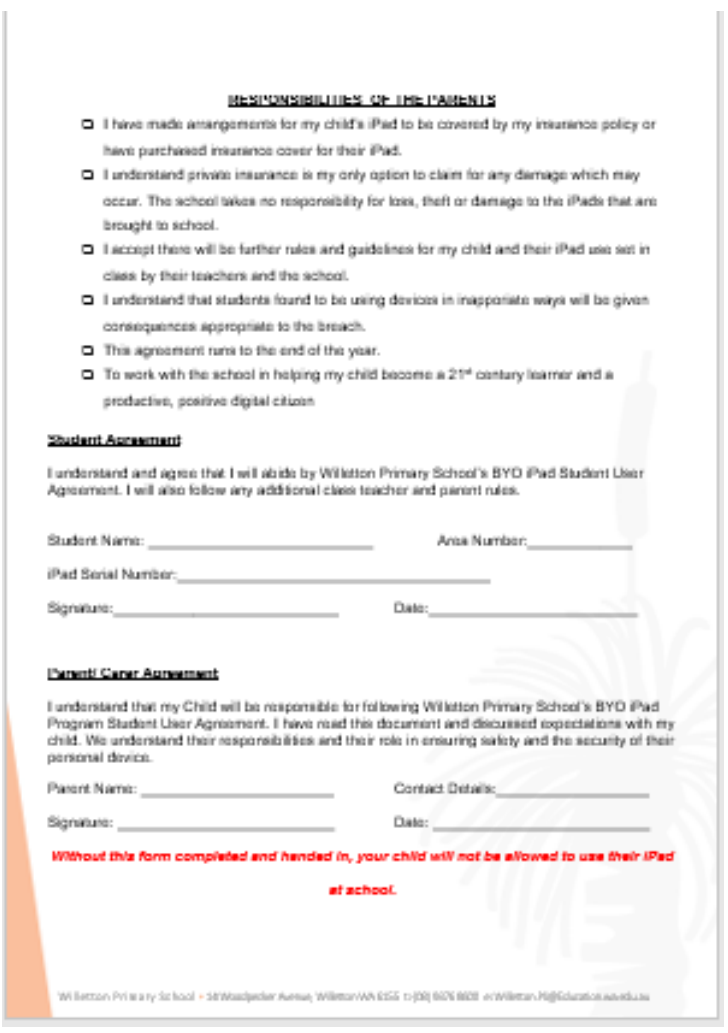
Students will:

- allow my parents or teachers to check my iPad at any time. This includes how it is being used, the photos, other content, books and what apps are installed.
- close all the apps on my iPad before I get to class in the morning.
- not use my iPad at school before the bell. I will not take it out for recess or lunch.
- only use my iPad in class for the activity I am supposed to be doing.
- use my iPad to help my learning and not for entertainment while at school.
- not touch other student's devices or allow others to touch mine.

Digital Citizenship:

Students will:

- be cybersmart when using the internet.
- not use my iPad inappropriately.
- will not use messaging or social media on school grounds.
- not bully anyone online and will tell the teacher if I see this happening.
- only take photos and videos of other students/teachers with their permission and for an educational purpose.
- follow any other rules for using the iPads that my teachers and parents may set.



RESPONSIBILITIES OF THE PARENTS

- I have made arrangements for my child's iPad to be covered by my insurance policy or have purchased insurance cover for their iPad.
- I understand private insurance is my only option to claim for any damage which may occur. The school takes no responsibility for loss, theft or damage to the iPads that are brought to school.
- I accept there will be further rules and guidelines for my child and their iPad use set in class by their teachers and the school.
- I understand that students found to be using devices in inappropriate ways will be given consequences appropriate to the breach.
- This agreement runs to the end of the year.
- To work with the school in helping my child become a 21st century learner and a productive, positive digital citizen
