

Willetton's Got Talent

Morgan Ginbey's

My Summer Beach day Checklist

Bathers: Rashy,
bather bottoms.

Shade: hat, beach
umbrella, tree, popup
mini tent.

Hydration: water,
cordial, juice.

Essentials: sunscreen, towel,
source of shade, snorkel gear
(your going snorkeling) food
such as fruit, sandwiches, a
snack (like smith chips).

Tips:

**Apply sunscreen
every 30 minutes.**

***don't tan you will
get skin cancer***

**Check if the beach
you're going to has
rips**

**Check the 'UV raise
and also check how
windy it is.**

*A terrific
checklist, Morgan
2023*

My Summer Beachday Checklist

By Henry

1. Check UV
2. Check Wind
3. Check if there is lifeguards
4. Sunscreen (if UV is higher than 3)
5. Shade (to protect yourself from UV rays)
6. Towel (to dry yourself)
7. Swim Suit (if you are going to swim)
8. Food (if you are not going to a restaurant or cafe)
9. Floation Device (if you can't swim)
10. Spare Clothes (to change after you have swam)
11. Hair Brush (if you have long hair)
12. Fan (to keep cool)
13. Water (to stay hydrated)

✓
Top job!
AGY

My Summer

Stingers

If bitten by a stinger, you should apply stingos immediately. Make sure you don't itch it, or more damage will be caused.

Sunscreen

Apply sunscreen every few hours. If swimming, every hour you should reapply before the effect wears off.

✓ Super
checklist,
Olivia!
