

## 2020 VOLUNTARY CONTRIBUTIONS AND CHARGES

Dear Parents / Caregivers,

Each year parents support our school in many ways and contribute both financially and in kind. This support is crucial in ensuring quality programs are available to our students and we thank those parents who provide that support year after year. Every endeavour has been made to keep costs to a minimum whilst ensuring the delivery of a high quality program.

One very important part of that parent support is the payment of the annual "School Contributions and Charges".

**School Voluntary Contributions** – in line with the School Education Regulations 2000 and endorsed by the Willetton Primary School Board 2019.

Kindergarten	each child	\$60	(These amounts are at or below the maximum amount allowed through the Department of Education)
PP – Year 6	1 child	\$60	
	2 children or more	\$120	

Money collected will be used to supplement funding provided by the government. While the contributions are voluntary, the quality of our teaching and learning program will be enhanced if each family makes its contribution. Voluntary contributions allow the school to resource existing programs and initiate new programs. Your valuable contributions will go towards the following:

STEAM resources

Cooking ingredients

Art / Craft materials

Online resources

### **Items for Personal Use (Booklists)**

The list of items for personal use will vary from student to student and includes:

- Pupil requirements for all students and used in lessons e.g. stationery items, calculator, etc.
- Pupil requirements recommended but not essential for all students e.g. tissues, art shirt, etc.

The recommended list of Items for Personal Use for your child has been previously distributed. All materials can be purchased through Ziggies Educational Supplies, 25B Baile Rd Canning Vale, however, you are not obliged to use this supplier. Your child will need to have the listed materials each school day so it will be necessary to replace some items, such as pens or pencils, throughout the year.

### **School Charges**

Charges are payments that parents are required to pay for their child to participate in events such as excursions, swimming, sports carnivals, in-school events, special music etc. These charges are outlined on the schedule over the page. They are our 'best estimated' maximum projected costs you could expect to pay if your child took part in every listed program during the year. The charges will be requested at an appropriate time during the year prior to your child taking part in each activity. Your timely payment when requested to pay these charges is needed to ensure your child is able to participate in events. *Please contact Manager Corporate Services if you need flexibility in making payments due to unforeseen circumstances or financial difficulty. We would be more than happy to assist you.*

### **Other Voluntary Approved Requests**

The Willetton Primary School P & C Association voluntary approved request from parents for 2020 will be \$25.00 per child.

We thank you for your anticipated support in 2020.
