

**Issue No 10****Term 2****3 July 2019**

## Message from the Principal

Dear Parents, Carers and Community Members,

Our vision, 'Together we aim to develop the whole child to succeed in an ever changing world', embodies everything we strive for at Willetton Primary.

Our students have an active voice and demonstrate solutions focused approaches to learning.

A few weeks ago four of our Year 4's from Mrs Harding and Mrs Thomas's class wrote letters to the Hon Sue Ellery MLC, Minister for Education and Training. The intention was to demonstrate, as students, that they care about their learning environment and to raise awareness that there are a few things in our school that could be improved.

Our students identified an issue relevant to them, and that they are passionate about, used persuasive writing skills to compose letters, and applied them in a real world context.

The result was wonderful! Jessica Masyuk, Nathaniel Cowey, Tahlia Dunsire and Cruz Barry-Hardy, were delighted to each receive personal replies to their letters from The Minister.

Jessica's letter from the Hon Sue Ellery can be read in this newsletter.

A common retrospective comment at this time of the school year such as, "Where did first semester go?" can be heard in the parent car park, in the classrooms and the staff room. We have already arrived at the end of another term and I congratulate all students on their engagement and considerable efforts in all areas of school life throughout semester 1. The quality of work, the demonstration of our school Values and the progress and achievement reflected through the numerous data sets is to be recognised and celebrated. Thank you to all staff and parents who have worked together in partnership. Our before school and lunch time clubs, and parent involvement, together with the teaching and learning program, promotes connection, a sense of community and helps our children thrive and flourish.

Wishing you all a safe, well deserved holiday.

*Best Wishes,*

*Heather McNeil*

Dear Jessica

Thank you for your letter dated 13 May 2019 about some issues at your school, Willetton Primary School. I am always pleased to receive letters from students.

I have been told that your school will be upgrading to a new, faster broadband this year, which will make using the internet at school much easier.

I can understand that you are worried about your school mates in classrooms that haven't had an upgrade to the air-conditioners. Your Principal, Ms McNeil, and the Department of Education know about the need for more air-conditioning upgrades in the school. Unfortunately, it is not always possible to make all improvements in a school at once.

I am pleased to hear that your school has recently purchased two sets of portable goals and backboards for students to play basketball, as I know you were looking forward to receiving more sports equipment.

Thank you again for writing to me. I hope the rest of your time in Year 4 is great.

Yours sincerely

**SUE ELLERY MLC**  
**MINISTER FOR EDUCATION AND TRAINING**

Deputy Principal

Dear Parents/Guardians,

## Lights, Camera, Action!

I am excited to announce that in Term 3 a select group of year 4 students will begin filming their own news show called 'Wired into Willetton' as part of our focus on student-led innovation and voice. Last Wednesday, Ms McNeil and I auditioned nearly 40 interested students for the programs inaugural group. Students were required to read a never before seen script while being filmed. Each audition was then rated on the applicant's fluency, vocabulary, expression and volume. From this, 16 students have been offered the chance to join the 'Wired into Willetton' team in Term 3.

Ms McNeil and I were thoroughly impressed by the quality of the auditions across year 4 and every student who participated should be incredibly proud of themselves.

Next term, the 'Wired into Willetton' team will work with Miss Flynn and myself each week to learn the scripting, performing and media skills necessary to produce a televised news report. The students will be responsible for storyboarding and scripting each episode, interviewing and filming guests, collating segments and, editing clips together to create each episode. These will then be released to classes to watch and on the school website for the WPS community to view.

Please keep an eye out for our first episode next term and our booth at the Parent Open Day at the end of next term.

Kind Regards,  
Joshua Jardine  
Deputy Principal & Science Specialist

# Emergency Services Visit

On Wednesday 26<sup>th</sup> of June. The Year 3 Students participated in an incursion with the Department of Fire and Emergency Services.

Students were reminded of the dangers involving fires and what to do in the instance where a fire might break out in their homes. Students saw a Firefighter in full protective gear, ready to face a fire as well as getting to explore three types of Fire Truck up close.

One of the biggest highlights was each of the students got to have a turn at taking on the role of Firefighter, using the real fire hoses.

# P&C News

**Dear Parents & Carers**, glad to meet you all again in this newsletter.

Gosh, how fast the time flies and this week is the last week of Term 2. End of Term 2 means we will get students' report from school through *CONNECT*, make sure you are registered.

## **Woolworths Earn & Learn, ended on 25<sup>th</sup> June 2019**

Thanks to all families who showed cooperation and support to get some new equipment for the school through Woolworths Earn & Learn. Our sincere thanks to all the parents who willingly took a bag of stickers to stick onto counting sheets. If you can help stick stickers onto counting sheets, please let us know ([willettonprimarypandc@gmail.com](mailto:willettonprimarypandc@gmail.com)) and we will gratefully get a bag to you soon.

## **Second-hand Uniforms**

If you are finding your kids have out grown last year's jackets or long pants and they are still in good condition, bring them along to our second-hand uniform **Blue Bin** in the assembly area. If you are in need of some second hand items contact us ([willettonprimarypandc@gmail.com](mailto:willettonprimarypandc@gmail.com)) or ask the lovely ladies in the office and we'll get Mel in contact with you. At the moment we have some jumpers and orange shirts available.

## **School Banking day is Friday from 8:15am!**

Remember, Friday is School Banking day from 8:15am until the bell and it's never too late to join! We love seeing the students faces each week as they continue on their savings journey and as they are rewarded with fantastic prizes along the way!

For every deposit made at school, students will receive a silver Dollarmites token or sticker. Once students have individually collected 10 tokens or stickers they can redeem them for an exclusive School Banking reward item in recognition of their regular savings habits.

School Banking is also a great fundraiser for our school. Our school receives a Regular Savers Contribution of \$5 for every 10 deposits processed per student as well as an Annual Contribution which is based on the number of students who made at least one School Banking deposit in the prior year.

If your child has lost their book, we will issue them with a replacement, just come see us in the old under cover area on Friday mornings.

Thank you for supporting the School Banking program at Willetton Primary School. We would also like to thank the wonderful parents who volunteer as our School Banking Co-ordinators and process our banking every week.

If you would like to know more about School Banking, please come see us on Friday mornings to request a 2019 School Banking program information pack, contact Candace on 0433 165 664, or simply visit [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking).

**Happy savings everyone!**

We have few upcoming events that are still in planning such as:

## 1. Book Fair

We are very excited to be bringing the Book Fair back to Willetton PS!

Jodie W, our book fair coordinator, is feeling equal measures of fear and glee and to ensure that she does not flee from the role (do you see what we did there ... joined two words together ... yeah, that's how we rock it) she is in need of a bevy of volunteers!

This is a great opportunity to meet other parents, contribute to raising THOUSANDS of dollars worth of books for the school library and have a whole lot of fun at the same time.

Jodie is looking for people to meet & greet, crowd control, eftpos duty and, well, she doesn't really know yet because she's never done this before BUT she's an experienced event coordinator so you're in safe hands.

Please email [willettonprimarypandc@gmail.com](mailto:willettonprimarypandc@gmail.com) ASAP if you can help out (and feel free to sign up with a few friends so that you can mix work and pleasure!). Shifts are short and sweet and there are a variety to choose from:

Friday 20 Sept: 3 – 4pm

Monday 23 Sept: 8 – 8:30am OR 3-4pm

Tuesday 24 Sept: 8 – 8:30am OR 3-4pm

Wednesday 25 Sept: 4:30 – 5:30pm OR pack-up 5:30 – 6pm \*Wednesday is after the Edu-dance concert and Open Night so it's bound to be a fun energy with those fab edu-dance performances so fresh!

Thanks in advance and please don't be shy! The 2019 book fair promises to be a real page-turner! (yeah... that's another mum joke... you're welcome)

## 2. Discos

Everyone's favourite DJ, DJ Dave, has been booked to rock the student discos again this year on Friday November 1<sup>st</sup>. If you can help out on the organisation team, let us know at [willettonprimarypandc@gmail.com](mailto:willettonprimarypandc@gmail.com). We have the know-how, we just need the people power to get it organised.

## 3. Colour Fun Run

We're also gearing up for a **Colour Fun Run** in **November** – yes that's the one where at the finish line you get covered in coloured powder - harmless except it puts lots of smiles on the runners faces! Plus it will raise more of those vital dollars to upgrade more of the classroom air conditioners.

Who'd be able to help out in making this event happen for our children? If you think you can help with the organisation drop us a line at [willettonprimarypandc@gmail.com](mailto:willettonprimarypandc@gmail.com).

## Next P&C Meeting (5<sup>th</sup> August)

Meeting starts at 7pm in the staffroom - looking forward to seeing you all there. If you have an idea, would like to discuss something at the meeting or would like to help out with something drop us an email. [willettonprimarypandc@gmail.com](mailto:willettonprimarypandc@gmail.com)
