

Issue No 14**Term 3****11 September 2019**

Message from the Principal

Dear Parents, Carers and Community Members,

National Science Week

National Science Week and the Scitech Dome incursion was a big success. Thank you to the STEAM committee for their hard work and to Mr Joshua Jardine for his leadership and support to all staff and students. The dome and follow up activities value added to our incorporation of STEAM into the Open Day theme; "Destination Moon". Open Day preparations are looking almost complete and classrooms look fabulous. The students are very excited to show family members all of the wonderful work they have been doing over the past three terms.

NAPLAN 2019

All parents of Year 3 and 5 students will receive the student NAPLAN reports on Thursday 12th September. Please see the section of this Newsletter from our Deputy Principal, Mrs Desley Spencer-James, providing explanatory information and links to parent information downloads. Please make an appointment with your child's class teacher with any queries you may have regarding your child's results.

Art for Angkor Project – Art Exhibition

Australian art for Cambodian kids.

Willetton Primary School is embarking on a new initiative, in the area of Asian engagement, to establish a Sister School relationship in one of Cambodia's poorest precincts, Siem Reap.

The Angkor Project aims to enhance the educative outcomes for students in both Cambodia and Western Australia.

To raise funds this year, our students have been producing artworks to display and sell in an exhibition which will showcase some amazing artistic talents. Every student in every class is invited to submit artwork which will be mounted and displayed, and offered for sale to parents, citizens and community visitors. A gold coin donation will be asked for entry to the exhibit, and a raffle will be drawn to win a beautiful handmade quilt featuring the gorgeous fabric designs of Australian artist Jocelyn Proust.

The students of Area 16 are hosting the event which will be attended by special guests across the community.

I am looking forward to seeing parents, carers, families and the community partnering with us in supporting student learning and wellbeing.

Best Wishes,

Heather McNeil

NAPLAN RESULTS and STUDENT REPORTS

There has been a complex series of analyses required to enable accurate reporting of NAPLAN results this year due to some schools undertaking on line and others paper testing. Our whole school data, which we use for school assessment and planning, is not available as yet and we have not been provided with a timeline.

- Individual student NAPLAN reports (Yrs 3 & 5) will be sent home this week.
- Staff will analyse the data to determine the next planning cycle in the areas tested, building on cohort/school strengths and addressing gaps.

For further information about background information to NAPLAN and reading your child's report please follow the link below.

Thanking you,

Desley Spencer-James
Deputy Principal

Dear Parents & Guardians,

This year the school is very keen to hear your feedback on Open Day to help us plan for future events. On the day, every class will have a poster on display containing a QR code which will take you to a quick online form which should only take a few minutes to complete. Every family who completes the form on the night will go into the draw to win one of two Sphero Mini's! Make sure to keep an eye out for the sign on Open Day!

Mr Joshua Jardine
Deputy Principal

Message from the office

Leaving Willetton Primary School?

We know that our Year 6 students are on the move to high school at the end of the year. **If your family is moving and we are not already aware**, please advise the office via email as soon as possible willetton.ps@education.wa.edu.au so we can take this into account for our planning for 2020.

Thank you

P&C News

It was lovely to have so many parents come along to our meeting last Monday night in the staffroom despite the very windy and very wet weather. We were excited to approve a \$15,000 donation to the school towards the air conditioning upgrade for cluster 3. We are looking forward to being able to donate even more later this year after our big fundraiser, the Colour Fun Run.

Mr Jason Porter from the School Board joined us and spoke with us about how the P&C, the School Board and the whole school community could work together to increase school and broader community engagement. If you have ideas or are interested in being part of the discussion, please contact us and we can put you in touch.

We also had the pleasure of seeing some of the beautiful art that our students have been working on with Mrs Jones in preparation for the Art Exhibition later in October. With such an event comes lots of opportunities for parents to get involved. If you are interested, please contact Mrs Jones in area 16 via the school office.

Only 2 more P&C meetings left this year. Please come along and have your say about events for the students and school community, get to know other parents and carers, and learn more about what is happening at the school – as Ms McNeil shares interesting updates at each meeting.

Our next meeting is Monday 28th October at 7pm in the school staffroom. If you'd like to raise an issue, discuss an idea or have something put on the agenda please email willettonprimarypandc@gmail.com. Looking forward to seeing you there!

Pssst.... We have a number of P&C committee members leaving us at the end of the year as their children start high school or their position terms come to an end. So, there are a number of positions that will become vacant. If you'd like to be part of a fresh new team, have ideas on how to do things differently and want to build a better school community for our children and teachers, please don't be shy- reach out to Tracey on tracey.wilkinson@hotmail.com to find out more.

REGISTRATIONS FOR CAMPERS ARE ONLINE

Please visit www.willettontigers.com.au and go to the Junior Holiday Camps tab under which you will find the link to book your child into the holiday camp. Places are secured only on the receipt of payment, and numbers are limited.

USEFUL INFORMATION FOR PARENTS OF CAMPERS:

Your kids should wear sneakers and clothes suitable for running around. It's a good idea to bring a water bottle. They can bring their own packed lunch, or you can order lunch for them; just bring correct change with you to place their orders in an envelope when you drop them off. (**Note: parents please let your children know what you have ordered for them!!**). The campers will bring the food menus home with them on their first day, along with their movie choices. Camp STARTS at 9am so the kids need to be here before that time. We lock the doors, and the stadium is accessible only via the intercom system. We reopen the doors at 3pm so that you can come and watch the last half hour of activities.

WILLETTON BASKETBALL ACADEMY TERM 4, 2019

The Development Training Academy Program for boys and girls 9 years and over will begin again on Sunday 20 October 2019, and run for 8 weeks.

This program is not an elite level program, but is designed for children playing at domestic level who would like the opportunity to spend time with good coaches working on specific skills. Our aim is to enhance each participant's physical, social and basketball skill development, by training children in smaller groups (one coach to six children max), thereby enabling children to receive individual attention and focus on specific skill sets.

Our focus is on fundamentals, working on shooting and dribbling. Repetition drilling is utilised to obtain the desired result, ensuring that players develop good technique that will benefit their game in the long term. We strive to make these sessions fun and enjoyable, while creating a positive learning atmosphere. Throughout the sessions, children will receive ongoing feedback from coaches on skills and performance.

Sessions will run on Sunday mornings, starting on Sunday 20 October ending 8 December

Due to the popularity of the program we will be running two sessions:

8.30-10.30am and

11.00-1.00pm.

There is no difference in the content or age groups of these sessions

Cost of DTAP = \$230 per person. This includes a reversible training singlet and 16 hours of specialised coaching. Places will only be secured on receipt of payment.

Cost of DTAP for students who already have their own Academy singlet from a previous academy- \$205

For any questions, please ring Jeff Anderson on 9310 3388.

REGISTRATIONS FOR THE ACADEMY ARE ONLINE
