

Issue No 15**Term 3****26 September 2019**

Message from the Principal

Dear Parents, Carers and Community Members,

It is difficult to believe that it is already the final week of term 3! It has been a fantastic term full of art, music, sport, excursions, incursions and assemblies, along with a whole lot of learning and fun.

On Saturday night I had the great pleasure of attending the Massed Choir Festival to watch our choir perform in the Perth Concert Hall along with 400 other primary school children. I am very proud of our students and their Music teacher, Miss Jillian Flynn, for the many hours of practice during and after school that they have dedicated to learning and perfecting all of the songs performed on the night. The choir members were excellent role models in the representation of our school.

There was definitely a 'buzz' in the air in our school yesterday!

The Edu-Dance Concerts and Open Day were finally here. We began the afternoon with Edu-dance and all of our students were very excited to perform for our parents, family members and friends. And perform they did!! Our Pre-primary students joined us for the first time while it was the last performance for our Year 6 students. The two concerts were wonderful and thoroughly enjoyed by the performers and the audience.

Following the dancing, the students very proudly showed their families all of the sensational classroom work they have been doing. The focus for Open Day 2019 was integrating STEAM across the curriculum through hands-on learning experiences under the theme 'Destination Moon'. Each year level told a different part of the story of space exploration by using different instructional technologies, including Beebots, Dash Robots and Minecraft Education Edition. All of these technologies challenged our students by using higher order thinking skills to solve real life dilemmas, such as Earth Overshoot Day.

Thank you to our whole school community for supporting our students. Above all, our school is about the children's learning and families visibly sharing in that journey.

Finally, I would like to say a big thank you to the entire Willetton Primary School community for helping to make this term so fabulous. I would particularly like to thank the staff who are a fantastic group of educators with a collective vision of high care, high performance.

Have a relaxing, safe and happy holiday break before a busy, exciting final term ahead.

Best Wishes,

Heather McNeil

Message from the office

Leaving Willetton Primary School?

We know that our Year 6 students are on the move to high school at the end of the year. **If your family is moving and we are not already aware**, please advise the office via email as soon as possible willetton.ps@education.wa.edu.au so we can take this into account for our planning for 2020.

Thank you

5 Tips to Build Family Resilience & Well-Being

Parenting, I likened it to extreme sports; super challenging, scary, crazy but super fun, rewarding and exhilarating as well! Here are some selected great tips and tools for your parent survival kit ☺.

www.Bestprograms4kids.com

1. **Setting Healthy Boundaries** – Children thrive when they know the boundaries. Consistent and predictable expectations at homes – that don't change by the day because of your mood at all! Know your boundaries and stick to them.
2. **Cut Out Put Downs** – How many are happening in your home? Put downs can happen between siblings and both ways in adult interactions. Speak respectfully to each other and stamp out the use of put downs quickly.
3. **Empathy** – Everyone sees life a little differently. What has your child, partner, child's teacher been through today, last week, this year? We only see the tip of the iceberg, so be gentle with, accepting of and compassionate to others.
4. **Gratitude** – Do you practise it – actively? Go on – it's a tonic! For a week, challenge yourself. Before you get out of bed each morning, think of one thing you were grateful for today. It's life changing!
5. **Getting Homework Done** – This is often a pressure point in families. Set aside an area, have resources ready to go, build the time into your routine and make it fun. Use the time in the car to get rote learning tasks done – like times tables.

Let's enjoy the parenting journey together.

Have the best week!

Kind regards,

Charis Chua

Time flies so quick..... Hasn't this term just flown by?! While the students and teachers have been busy preparing for the Open Night and rehearsing their hip-hop moves for their Edu Dance performances, we've been continuing to fundraise for badly needed air-conditioning upgrades.

As always, a **big thank you** goes out to all our wonderful volunteers and helpers for their support.

NEXT P&C MEETING

Only 2 more P&C meetings are left this year. Please come along and have your say about events for the students and school community, get to know other parents and carers, and learn more about what is happening at the school. Our next meeting is **Monday 28th October at 7pm** in the school staffroom. If you'd like to raise an issue, discuss an idea or have something put on the agenda please email willettonprimarypandc@gmail.com. Looking forward to seeing you there!

Mark your calendars! **November 22nd** is our inaugural Willetton Primary School Colour Fun Run (eager eyes might have spotted 10 boxes of coloured powder being recently delivered to the School office!). If you're available to volunteer on this day, please drop us a line at willettonprimarypandc@gmail.com.

FROM THE CANTEEN

On Friday September 6 the Canteen offered a Special Mexican Meal Deal. Burritos were the most popular choice on the day and the kids seemed to really enjoy them! Thank you to everyone that supported the Meal Deal Day and throughout the Term.

We are looking forward to Term 4 where we will be introducing an exciting **new Summer Menu**. Orders can only be placed online at www.quickcliq.com.au.

Look out for another Halloween Special Meal Day and also some extra summery recess additions. Don't worry everyone's favourite tasty chocolate chip muffins will still be available!

Have a great school holidays and see you all next Term.

Rock and Water

For Parent and Child

Physical exercises are constantly linked with mental and social skills. The Rock and Water Program leads from simple self-defence, boundary and communication exercises to a strong notion of self-confidence. The program offers a framework of exercises and ideas to assist boys and girls aged between 8 and 14 years to become aware of the purpose and motivation in their life.

The following topics are discussed:

- Bullying
- Life goals
- Developing a positive self-image
- Communication skills
- Personal boundaries

The course teaches the following:

- Practical anti-bullying strategies
- Self-confidence, self-awareness and self-control
- An introduction to basic self-defence skills
- Communication skills and interpretation of body language cues
- Alternatives to aggressive verbal and physical responses to fear and doubt
- Thinking and being in control through grounding, centeredness and mental focus
- Boundary awareness

Facilitated by Craig Van Waardenburg (credited Rock and Water trainer) this family activity based program builds on the complementary strengths of 'the rock' and 'the water'. One is firm and assertive, while the other is flexible and willing to cooperate.

Note: Due to the nature of the activities, there is only room for one child per adult attending.
