

**Issue No 7****Term 2****22 May 2019**

## Message from the Principal

Dear Parents, Carers and Community Members,

### Deputy Principal

Congratulations to Mr Joshua Jardine who has been appointed as Deputy Principal for Term 2 and will be joining the Deputy team with Mrs Desley Spencer-James and Mr Scott Palmer. Mr Jardine will continue to teach Year 5 and 6 Science. We welcome Mr John Wegner back to our school as Year 1-4 Science teacher and Year 2 Health teacher. A Deputy Principal position (12 months) has been advertised on the Jobs WA website. The successful applicant will commence in Term 3.

### School Grounds After Hours

We would like to remind parents that students should not be on the school grounds out of school hours unless accompanied by an adult. Schools are responsible for duty of care of students once in the school grounds during school operating hours. **Unless** children are attending organised **Before School Activities**; at our school, children are asked to come to school **from** 8.30am when the classroom doors are opened. If children come to school prior to 8.30am they are asked to sit in the undercover area until 8.30am when their teacher opens the classroom door.

After school, it is expected that children make their way home straight away **unless** under the supervision of parents, for example, playing on the Parklands Nature Playground or Junior Playground.

**Kindy/Pre-primary:** The opportunity for children to play in the Kindergarten and Pre-primary grounds under parental supervision out of school hours, has been very popular.

Unfortunately, this has increased the wear and tear on the grounds and gardens, and play equipment is being broken. There has also been a natural increase in noise level, which unfortunately impacts the staff, who remain in class long after school closes to plan and prepare lessons for the next day.

For these reasons, we are asking that children no longer play in the K/PP area out of school hours, effective immediately. Students are either to leave the school grounds immediately **OR** if under adult supervision, play in the Nature Playground or Junior Playground. We thank you for your support and understanding in protecting our Early Childhood grounds.

### Works Program REMINDER

Works will be commencing on the resurfacing of the staff carpark and the surrounding pavement and pathways, on **Monday 27 May**.

The entire Visitors & Staff Entrance, driveway and upper staff carpark will be re-surfaced and will not be available for parking or access during this time. Please be aware that parking space in the Pine Tree Gully Rd carpark and Kiss & Drive area will be limited due to accommodating staff who will not have access to the staff carpark outside Administration. Thank you for your cooperation.

**Please see the attached information and map in this newsletter.**

Parklands, (the Nature Playground) will be fenced off and out of bounds to the students throughout the length of the project. Students who normally play in Parklands will be directed to another specific and supervised area of the school grounds.

*Best Wishes,*

*Heather McNeil*

## NAPLAN Online

This has been our first year of completing NAPLAN Online. Our infrastructure has proven to be robust as we had approximately 170 students completing the NAPLAN Online tests using iPads. Students have been well prepared by their teachers and later in the year, parents will be sent an individual student NAPLAN report which can be used to view and monitor how your child is progressing.

Thank you to the staff who have worked tirelessly behind the scenes preparing the devices, conducting trials and readying the school. Thank you to the technical support and trouble shooting provided by Mrs Elsbury and Mr Jardine. Further thanks to the teachers in Year 3 and 5, who have ensured that their students are as prepared, confident and relaxed as possible. We appreciate the rest of the school's support during this two-week period.

Desley Spencer-James  
Deputy Principal.

# Simultaneous Storytime

## What is National Simultaneous Storytime?

NSS is an important annual campaign that aims to encourage young children to read and enjoy books as well as teach them the value of literacy. Now celebrating its 19th successful year and coming off the back of our most successful year yet, we have no doubt that Matt Cosgrove's *Alpacas with Maracas* will continue to build this wonderful campaign.

National Simultaneous Storytime will be held at 11am on Wednesday the 22 May 2019

By facilitating NSS we aim to:

- promote the value of reading and literacy,
- promote the value and fun of books,
- promote an Australian writer and publisher,
- promote storytime activities in public libraries and communities around the country,
- and provide opportunities to involve parents, grandparents, the media and others to participate in and enjoy the occasion.

Well now that the election has been decided and while not much has changed in Canberra, lots has been happening behind the scenes with the P&C. We had our last meeting just over a week ago and it was a delight to see some new faces. As parents we are all time poor these days and it seems like every day the kids come home with some sort of new activity that they would like to do, so as we try to keep up with work and family, any time that you can spare by helping support us is truly appreciated.

Our next meeting will be held as per normal in the School Staff Room 7pm Monday 10<sup>th</sup> June, so it would be great to see a few more new faces.

As always we are continually looking for support, and you can do this simply by becoming a member.. whether it is to simply find out more about what is happening within our school, or to physically help at one of our activities – the choice and commitment level is entirely up to you, and it costs ONLY \$1 just by completing the form attached here:

## **\$485 Raised through School Banking!**

Thanks to the fantastic efforts of our students we have raised \$485 for our school through the School Banking Contributions Program in Term 1. Our school receives a Regular Savers Contribution of \$5 for every 10 deposits processed per student, as well as an Annual Contribution which is based on the number of students who made at least one School Banking deposit in the prior year.

These funds will go towards much needed Classroom Air Conditioning Units.

Saving regularly is an important habit to get into, whether you're saving a little or a lot. Keep up the great work and remember, School Banking day is EVERY FRIDAY MORNING in the undercover area.

If you are interested in opening a Commonwealth Bank Youthsaver Account for your child, you can visit [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking) and click on the link to open a Youthsaver Account.

## **The Great Election Day BBQ, Cake Stall and Raffles!**

It was a cold 7am start to the day but thanks to some great setting up the day before we got going and had our first sausage ready for voters at 8am. The bacon and egg rolls were a favourite with early morning punters, but sausages were still the star of the show all day, and the cake stall's abundance of homemade treats were steadily taken home for morning and afternoons teas. Something for everyone... banana breads, apple & cinnamon cake, mars bar slice, brownies, chocolate cakes, citrus cakes, chiffon cake, a lovely rose decorated chocolate cake, meringues, bliss balls, gluten free cake, zucchini muffins, cupcakes in all shapes and flavours, and the freshly made chicken biryani with pappadams was a hit for those looking for an easy delicious dinner. A lovely surprise was a visit by an ex-WPS student who donated a box of his local honey for us to sell!

We tried a few new things this year – bigger area on the basketball courts gave everyone more room to move and serve faster, a card reader meant we could take electronic payments, we had a coffee van on site, sold the Entertainment Book and ran two great raffles.

A BIG THANK YOU to the businesses that supported our fundraising efforts with supplies: Fremantle Egg Company for FREE free range eggs, Eco Ice Australia for ice for our eskies, Coles Riverton and Woolworths Southlands for donations towards our shopping, D'orsogna for a good deal on the bacon, Spudshed Jandakot for free onions with our snags, Kiss Café for a donation for each cup sold, and the Zell family for stocking up our sauces.

We really enjoyed meeting so many new faces, appreciated the variety of skills in our school community (master BBQ-ers, amazing up-sellers, and talented bakers) and look forward to our next event together!

P.S. We are still crunching the numbers...stay tuned to see what we raised for the air conditioning fund!
