## WILLETTON'S WIDE WORLD OF SPORT

### Be A Sporting Hero

Last week, Mr Gotti and the Faction Captains worked extremely hard to promote for Fair Game, 'Be A Sporting Hero' day. By the standards set, everyone was dressed fantastically and nearly \$500 was raised! However, the generosity of preloved equipment was amazing. There were two blue bins full and the workers at Fair Game, were very pleased with the donations from the Willetton Primary School Community. Some students were very lucky enough to meet, greet and get autographs from Caleb Serong and Michael Frederick, who play for the Fremantle Dockers (photos below). The school was televised on Channel 7, 9 and 10, and in The West Australian.

### The West Australian

Serong and Michael Frederick today joined children at Willetton Primary School to promote Fair Game's 'Be A Sporting Hero' campaign.

Students brought old sporting equipment to school so it could be taken to under-served communities and organisations across Australia.

"It's a great organisation" Serong said.

"I know how important it was for me to have team sport and grow up in a community where I was lucky enough to have enough equipment to play."
