

# Willetton's Got Talent

Dear Ms McNeil,

My name is Benjamin Lin and I am a year three student in Area 7 at Wilketton. I enjoy participating at our school and have lots of nice friends and teachers.

I really enjoy our wonderful buildings. However I have a proposal for another brilliant room. I would like to be able to use a greenhouse ~~house~~ for the students who like farming.

The greenhouse could have a vegetable patch and fruits, for <sup>example</sup> ~~egzample~~ blueberries and strawberries. This would enable us to love farming.

Thank you so much for reading  
my letter. I hope you agree that a  
green house would be a terrific  
idea. I am looking forward to your  
reply.

Yours faithfully

Ben Lin

Dear Olivia and Benjamin,

Thank you for your lovely letters. I am so happy to hear that you enjoy school everyday.

Your idea that students should have an opportunity to take responsibility for a vegetable patch at school, is a very good one!

Did you know that as you progress through the Year 3 curriculum this year, you will get to make use of the Willetton Primary School vegetable garden?

Your teacher is planning lessons and activities that might involve planting, growing and eating vegetables and herbs in your own class vege patch.

I am looking forward to hearing from you again later in the year, with an update on your garden.

Yours sincerely,

Ms McNeil
