## Kingfisher - Foxes

vera foxes Foxes

Foxes are not pets.  
They are wild creetshes.  
Wot do thay looc like  
Foxes eet smol anumools  
like mise and berds bute  
thay are verex fond of  
plump chidns thay sum  
sumetime thay eet smole  
insex and joosee berees  
Foxes are \*noct~~ar~~noct that  
meens thay onlee come  
out at night time Foxes are

fames fore/ bying ~~\*cunning~~  
and ~~\*pouncing~~ on ther  
pray. ther homs are cold  
dens and ther babees are  
cold cups. Amazingly  
foxes cane swim.

Sarayu

Foxes

Foxes are not pets. They are wild creaches. What do they look like? foxes are elegant dog like creaches with redish brown ther and a pounntid snowt and a booshy tale foxes eat smal animals like mice and birds but they ~~are~~ very fond of plump chickens somtims

they eat small insects and  
loose berries foxes are  
nocturnal that means they only  
come out at night time
